New Launch

Singapore's Smile Inc.® Dental Surgeons has recently launched its newest clinic at 1 Raffles Place

The established chain of dental practices in Singapore, Smile Inc.® Dental Surgeons, has garnered yet another feather in its cap with the opening of its new clinic at 1 Raffles Place. The multi-award practice—the latest addition to Smile Inc.®'s chains at Mandarin Gallery, The Sail at Marina Boulevard, and Suntec City—is situated strategically on the ground floor of the new Central Business District's 1 Raffles Place Tower 2. The beautiful set-up boasts an architecture and interior that are first of its kind in the dental practices business all over, both regionally, if not globally—thanks to the impressive duplex front and ceiling that towers seven metres high, creating a sense of grandeur. This is the second duplex-fronted practice by Smile Inc.® Dental Surgeons, its first at The Sail at the Marina Bay Financial Centre.

Inside abounds with comfort and elegance, as the interior features a modern luxe and timeless chic atmosphere, which has become Smile Inc.®'s signature ambience. Like its other branches, the 1 Raffles Place clinic also offers a wide variety of dental care and services utilising the latest dental technologies and treatments—including the latest in Laser Teeth Whitening and its Dr. Ernest Rex Tan's signature The Smile Inc.® Makeover®, a series of techniques that can transform any dental condition into sparkling Hollywood smiles! ■
